Dear Mr. Barson:

Re: Notice of Intention to Commence Small Mining Activities, Silver Streak,
S/003/015, Box Elder County, Utah

Thank you for your letter, received by the Division October 26, 1990, concerning your proposed small mining program located in the N1/2 of Section 20, T14N, R14W, SLBM, Box Elder County, Utah. The letter does not satisfy the notice requirements of Rule R613-003 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, Utah Code Annotated.

The following information is still required:

- A topographic base map showing the location of the operation (a USGS 7.5 minute map is preferred). It is in your best interest to also indicate adjacent disturbances that you are not responsible for.
- A brief narrative description of the mining operation (i.e. truck & shovel, drilling & blasting, etc.).
- An original, signed copy of page 4 of the Form MR-SMO you submitted.
